

## What is a QR CODE?

Do you know what a QR Code is? Your clients do!

> QR Codes are a 24/7, two-way gateway between you and an endless variety of text, PDF documents, pictures, social engagement (FaceBook & Twitter) & video  
**EMPOWERED** to deliver your branding message by phone!

## Consider how this technology can **BENEFIT** you!

- > Food Service: "upsell" with documents, signage & creativity
- > Real Estate: deliver virtual tours & detailed property specs
- > Retail: engage complex product descriptions & special offers

## John Harvey & CCG has the **SOLUTION**

- > We will put your QR Codes on Labels, Documents & Promotional Items!
- > We build your "small screen" web & back end for your branding program!

Save, Manage & Grow your Business!
